
The Bible says that Jesus
wants me be kind to others,
just like I would be kind and share with Him.
I want to be kind just like Jesus.

If Jesus Came To My House

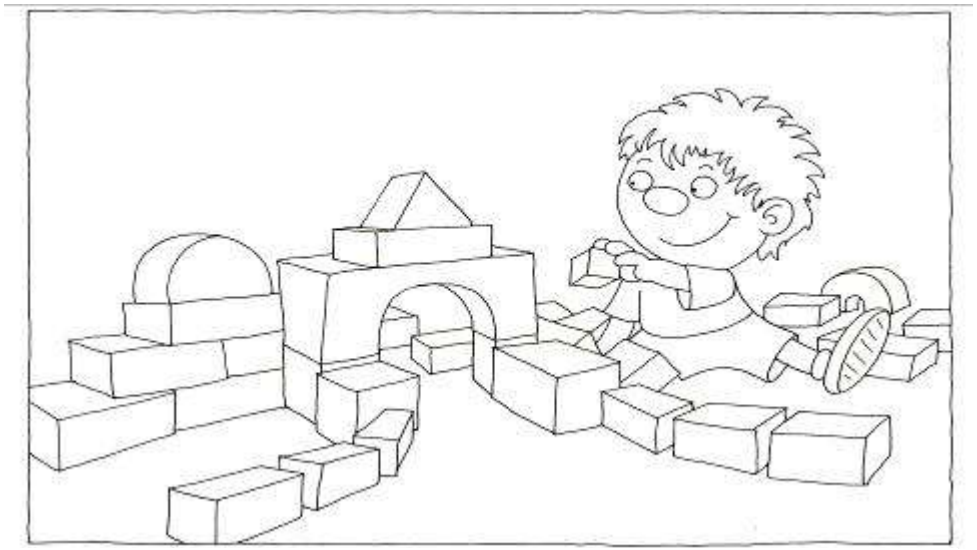
If Jesus was coming to my house,
I would tidy my room
and get everything ready.
I would feel so excited!



I would let Jesus play
with my best toys!
Even the ones I got for my birthday.
Jesus likes it when I share.

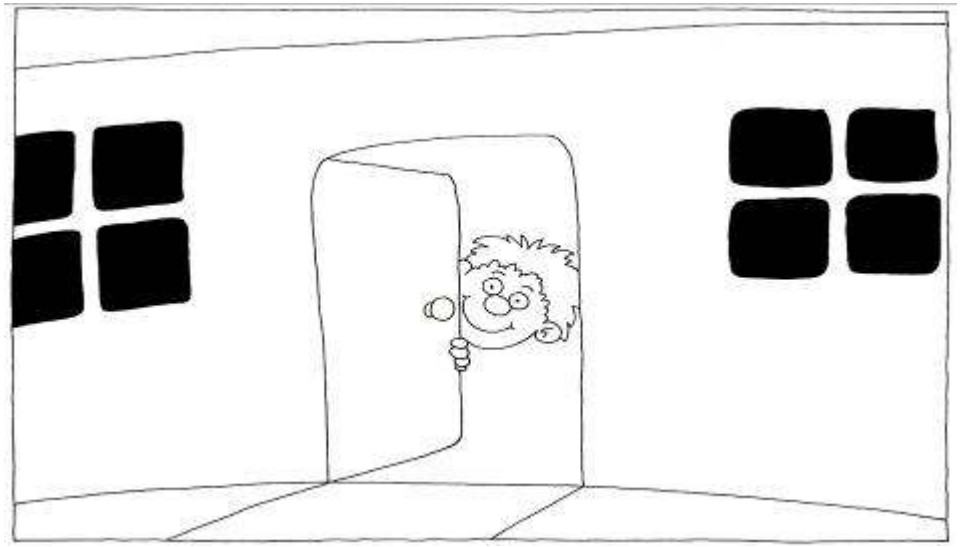
When we played games
I would play fair
and never mind if I didn't win.
It would be fun to play with my friend Jesus.



Jesus would knock on the door and wait.
As soon as I heard Him knocking
I would open the door, straight away
and ask Him to come inside.

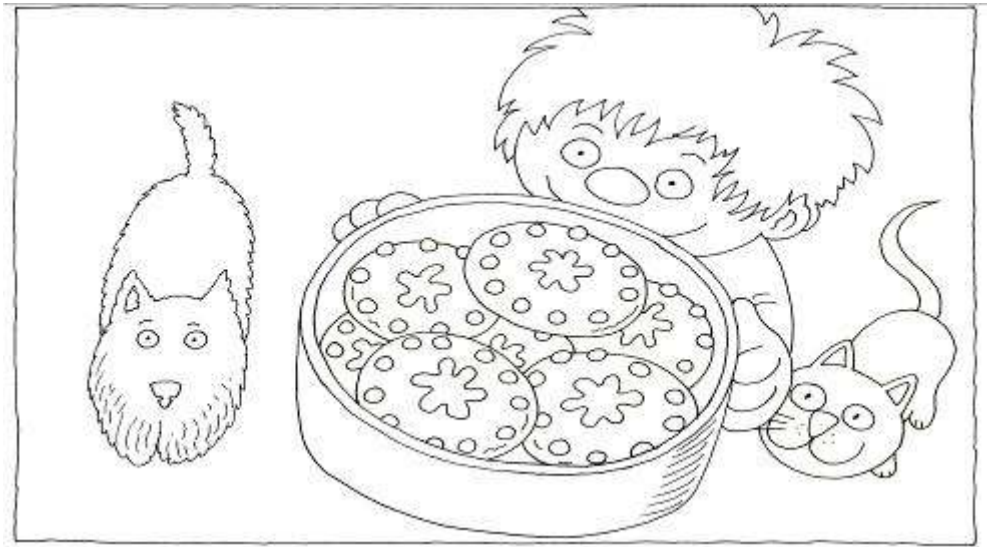
I would give Jesus the best seat
and I would listen
to everything Jesus said.
He is my very best friend.



I would get Jesus something nice to eat
and use good manners.
We would laugh a lot together.
I would never be grumpy.
