Be thankful to Him.
Psalm 100 verse 4

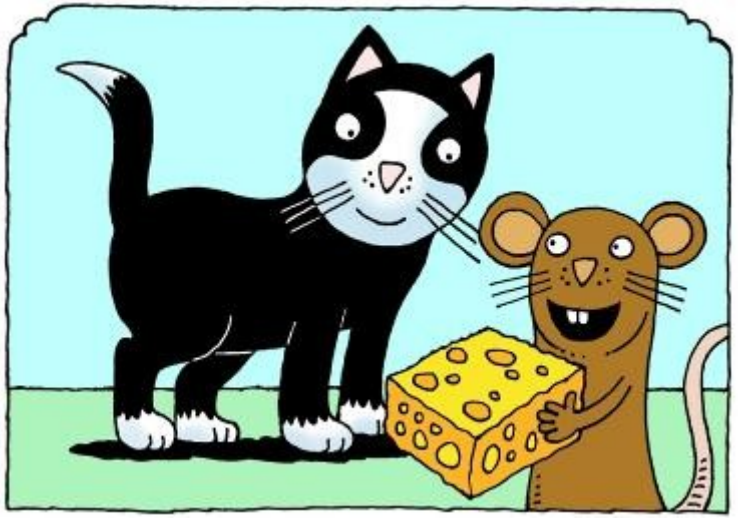
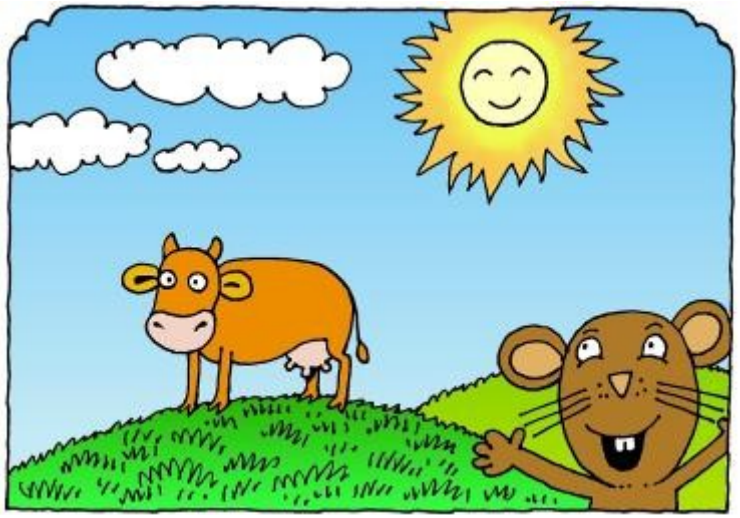
1



"Mia bought me some cheese from
the shop," said Samuel Mouse.
"I love cheese. Yum, yum, yum.
I will thank her for buying it for me."



"All our food comes from something
that our wonderful God created, to make
us grow strong and healthy," he said.
"I will remember to thank God for my food."

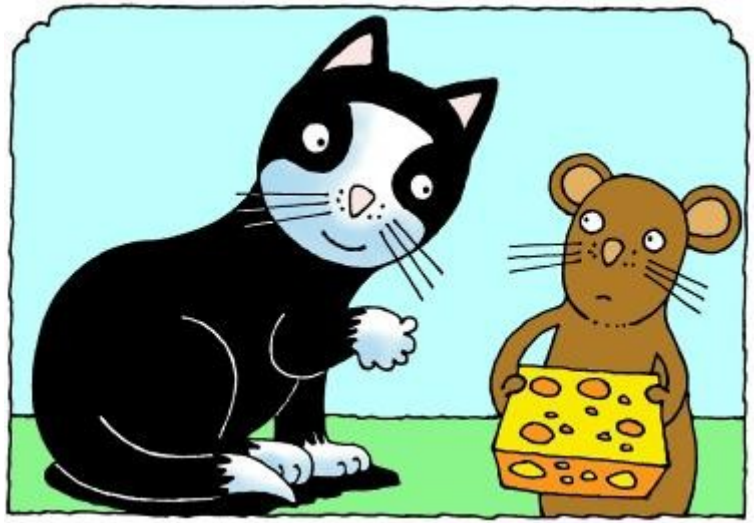
“Cheese can be made from goat,
sheep or buffalo milk, but only
God can design an animal
that can make milk from grass!”



“Remember to thank God, too,” Luca said.
“God gives us the food we eat.”
“But the cheese came from the shop,”
said Samuel. “God didn’t make it!”

“The Bible tells us that God made animals.
God designed cows to turn grass into milk.
Cheese is made from the cream in
the milk,” Luca explained to Samuel.

“The farmer milks the cows and sends
the cream to the cheese factory!”
Samuel smiled, “Now I understand that
without God I wouldn’t have cheese!
