

Honey is good to eat.
Bees, soil, flowers and honey
are God's idea.
You are God's idea too!

God Made Bees

By Jill Kemp

Illustrated by Richard Gunther

1

God made bees.
He gave them wings
so that they
can fly to flowers.

2

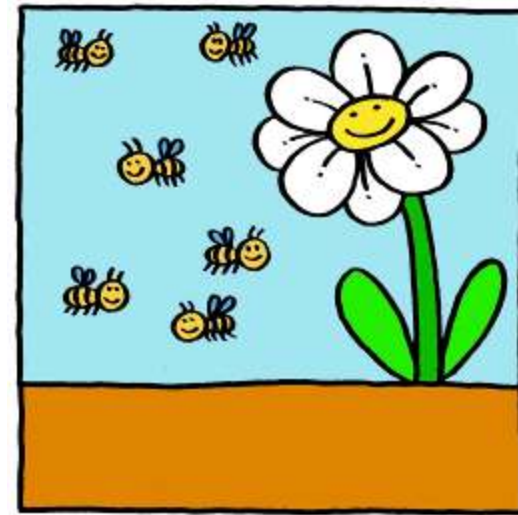

The bees tell their friends
where the good flowers grow.
They all work together
to make honey.

7

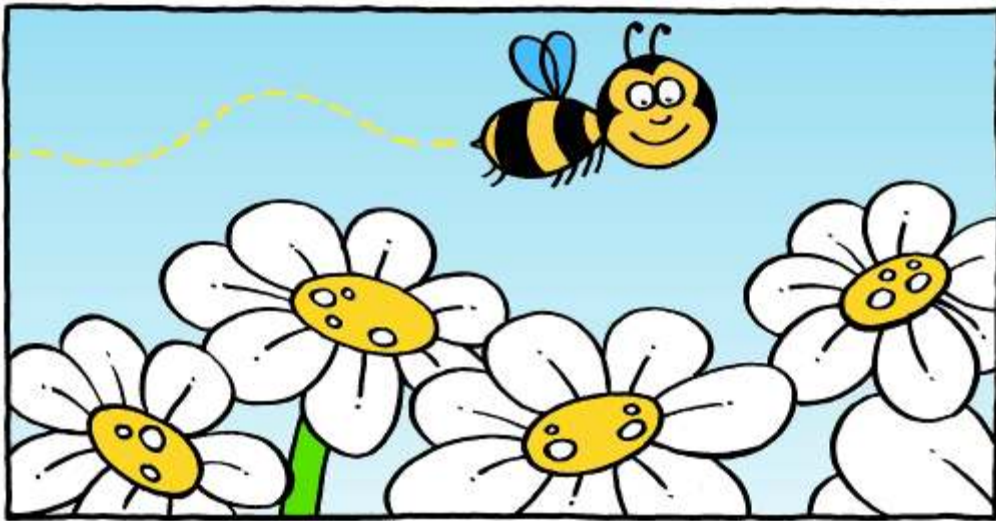

God made bees.
He gave them wings
so that they
can fly to flowers.

2

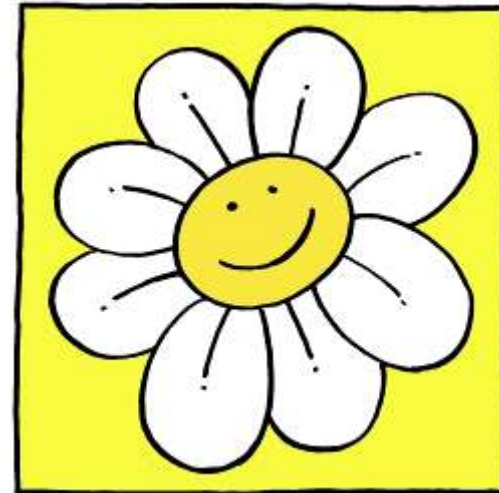

The bees tell their friends
where the good flowers grow.
They all work together
to make honey.

7

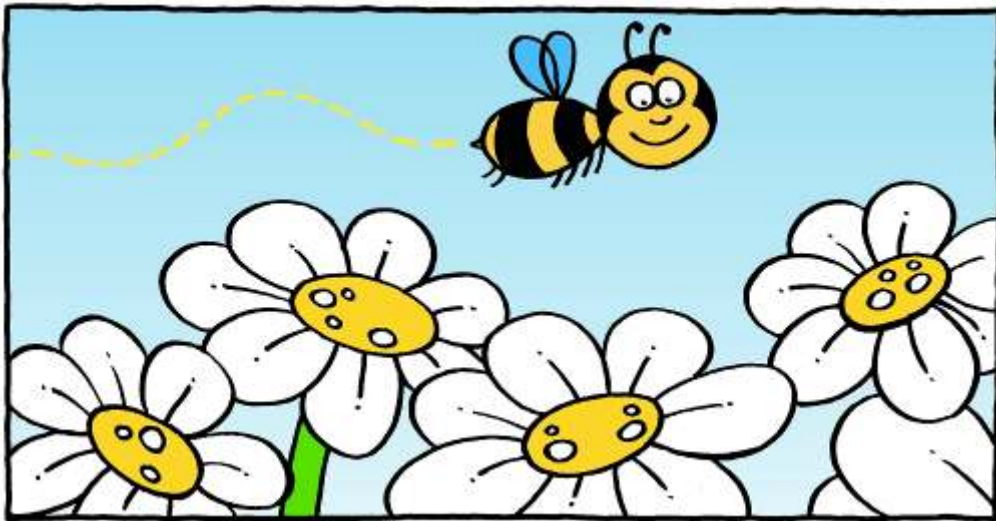

Bees know which flowers
they need to
make their honey.
It was God's idea.

6

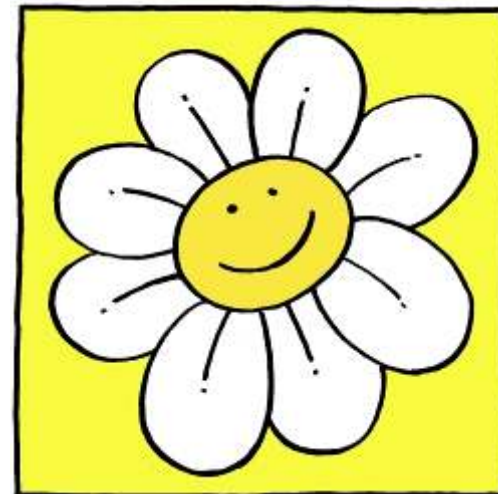

Bees need flowers
to make their honey.
Flowers grown
in the soil.

3

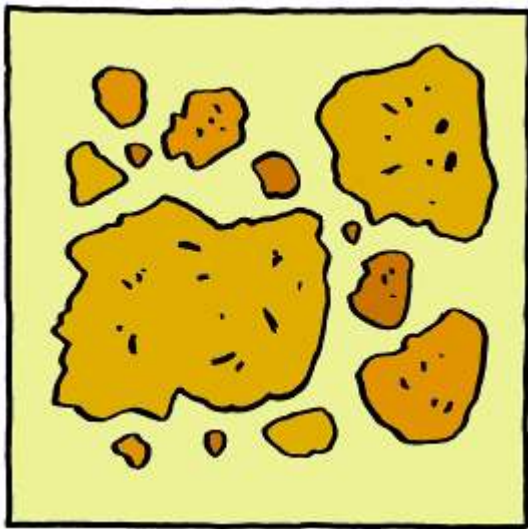

Bees know which flowers
they need to
make their honey.
It was God's idea.

6

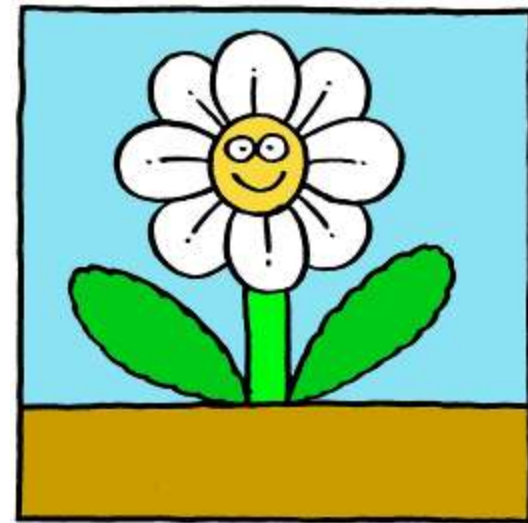

Bees need flowers
to make their honey.
Flowers grown
in the soil.

3

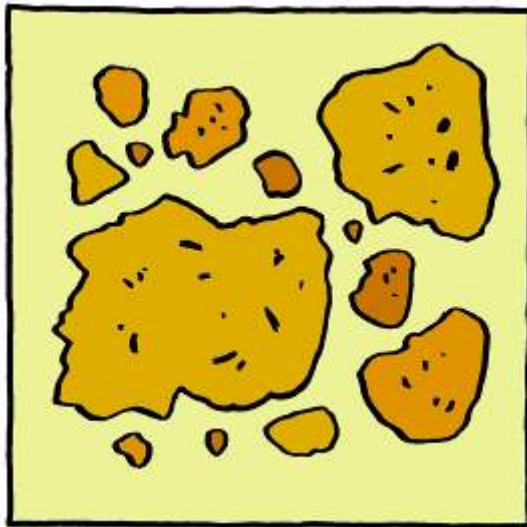

God made soil.
Good soil makes
plants grow in our garden.
It is all God's idea.

4

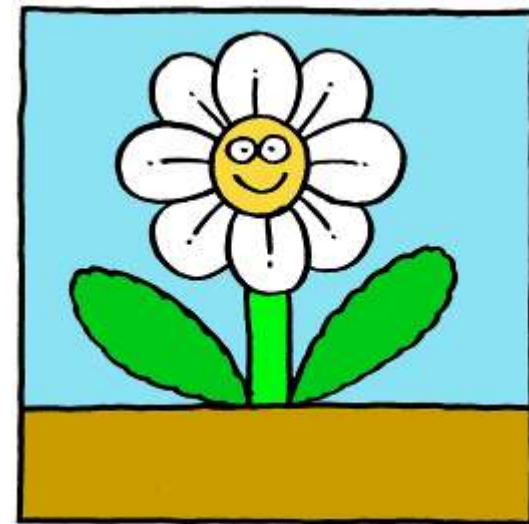

God made flowers
and the bees
make honey from
the pollen in the flower.

5

God made soil.
Good soil makes
plants grow in our garden.
It is all God's idea.
