I am a little shepherd boy  
I look after all my sheep  
I watch over them  
All through the night  
So they can safely sleep

My little sheep are waking  
It is another day

We found the baby sleeping  
Just like the Angels said  
Wrapped snugly in  
His warm blanket  
In a manger for a bed

I sit and watch  
The stars at night  
And remember what I saw  
One special night  
So long ago  
When Jesus Christ  
Was born

The biggest star I ever saw  
Shone in the sky that night  
And Angels suddenly appeared  
All shining and so bright

Don't get a fright  
The Angel said  
God sent his only Son  
He is God's  
Special gift to You  
God's love to everyone
