

16. Zacchaeus Action Rhyme

By Jill Kemp

Zacchaeus is

So very small

squat down

Here's a tree

So big and tall

stand on tip toes reaching up

See him climbing

Up the tree

use hands as if climbing

It is Jesus that

He wants to see

hands to eyes

“Zacchaeus,

Come down right away

beckoning

I'm coming

To your house today”

make house over head
