Used by permission.

God put the roar in the lions

roar

God put the buzz in the bee

buzz fingers

God put the spots on the ladybird

poke fingers in air

And God put the giggle in me

“walk” fingers from tummy up body

And God put the giggle in me

Chorus:

He gave me a heart

hands on heart

That's full of love

He gave me arms

marching

And legs that move

He gave me a voice

hands from mouth

So I could sing

'Cos God does wonderful things

He does

roll hands around

God does

Wonderful things

thumbs up

God gave the stars their twinkle

twinkle fingers

God gave the moon its glow

make circle with hands

God makes the rain

rain fingers

In the spring time so

That everything can grow

reach up high

And grow

Chorus:

He gave me a heart
hands on heart

Thank you for the things you've given

clapping

Thank you for the things you do

Thank you that you

Love us with all your heart

heart

And we want to love you too we do

Chorus:

He gave me a heart that's full of love

He gave me arms And legs that move

marching

He gave me a voice so I could sing

hands from mouth

'Cos God does wonderful things He does

roll hands around

God does wonderful things

thumbs up
