

9. God Made Everything

By Wendy Webster. Used by permission.

God put the sun way up in the sky

sun

God made the clouds that roll on by

roll hands

God made the rain so we wouldn't stay dry

"rain" fingers

He waters all the apple trees

He gave us apple pie

rub tummy

Chorus:

God made everything

point up

He even taught the birds to sing

bird action

Oh, God made everything

hands make large circle

God made the birds

That sing in the trees

God made the fish

palms together wiggle fish

That swim in the sea

God made the mountains

mountain with finger tips

And God made the breeze

God made everything

He even made me.

point to self

God made everything

point up

He even taught the birds to sing

Oh, God made everything

hands make large circle

I'm so glad for all God's done

'Specially how He sent His Son

They put Him on a cross and He took my blame

make cross with fingers

And I can go to heaven

By believing in His name

God made everything

point up

He even taught the birds to sing

Oh, God made everything

hands make large circle

Summer, Autumn, Winter, Spring

He even taught the birds to sing

Oh, God made everything
