

Before he ate his cheese,  
Samuel prayed and thanked God  
for giving him healthy food  
to eat - especially cheese!

# Samuel Mouse Is Thankful

By Jill Kemp  
Original idea by Elaine Boswell  
Illustrated by Richard Gunther

Be thankful to Him.

Psalm 100 verse 4

1

“Mia bought me some cheese from the shop,” said Samuel Mouse.  
“I love cheese. Yum, yum, yum.  
I will thank her for buying it for me.”

2

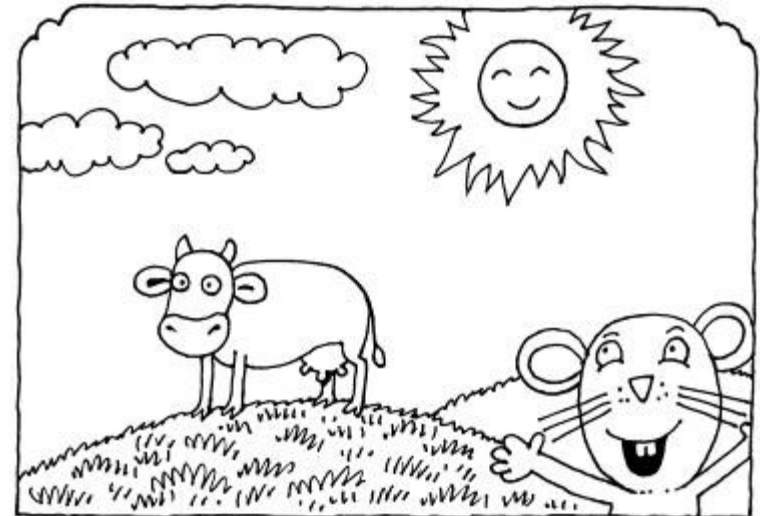

“All our food comes from something that our wonderful God created, to make us grow strong and healthy,” he said.  
I will remember to thank God for my food.”

7

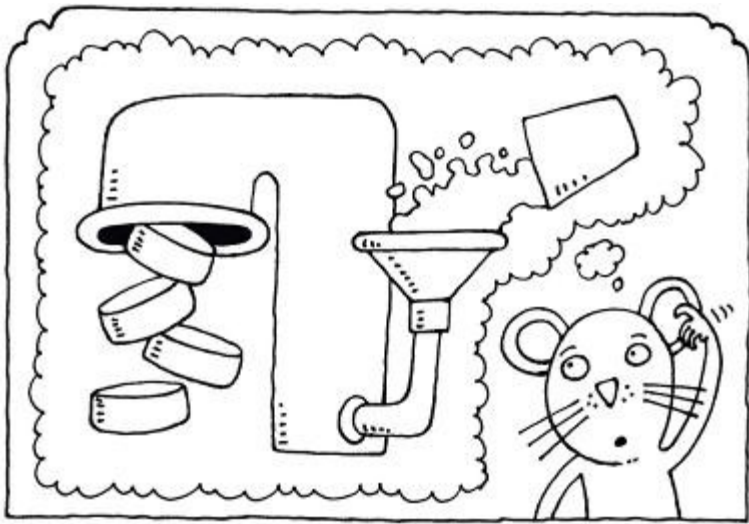

“Mia bought me some cheese from the shop,” said Samuel Mouse.  
“I love cheese. Yum, yum, yum.  
I will thank her for buying it for me.”

2

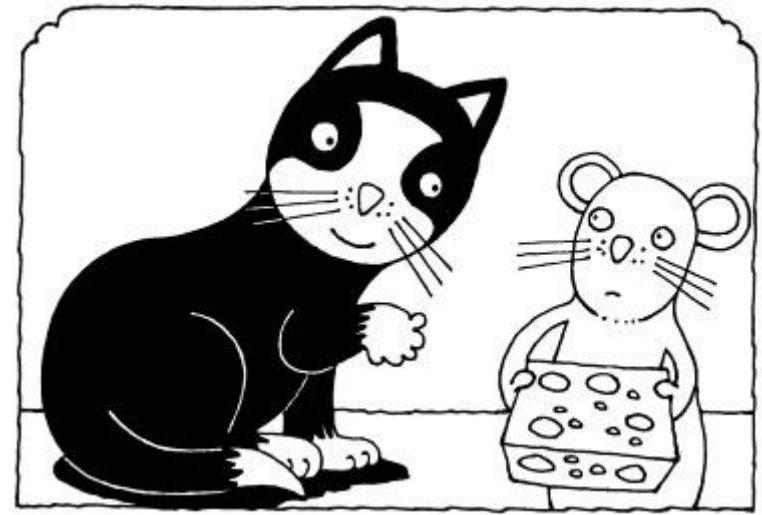

“All our food comes from something that our wonderful God created, to make us grow strong and healthy,” he said.  
I will remember to thank God for my food.”

7

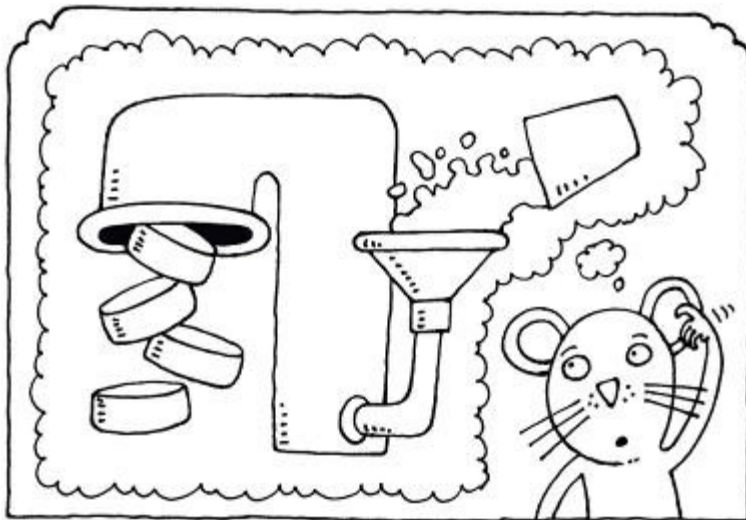

“Cheese can be made from goat, sheep or buffalo milk, but only God can design an animal that can make milk from grass!”

6

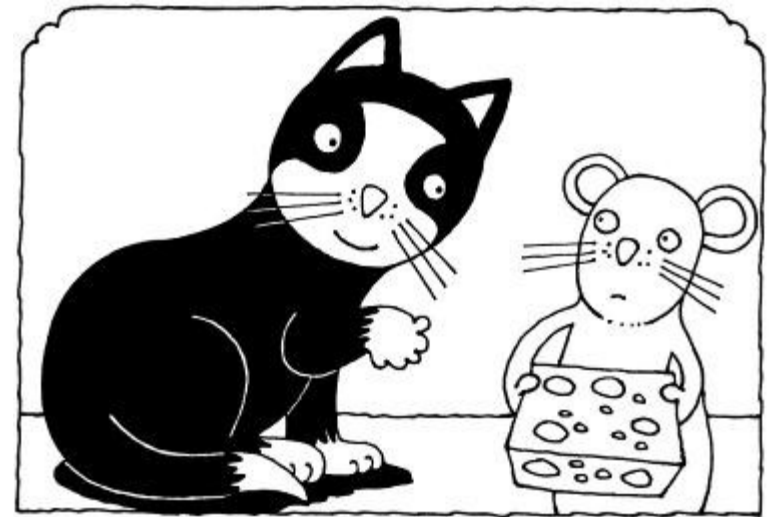

“Remember to thank God, too,” Luca said.  
“God gives us the food we eat.”  
“But the cheese came from the shop,” said Samuel. “God didn’t make it!”

3

“Cheese can be made from goat, sheep or buffalo milk, but only God can design an animal that can make milk from grass!”

6

“Remember to thank God, too,” Luca said.  
“God gives us the food we eat.”  
“But the cheese came from the shop,” said Samuel. “God didn’t make it!”

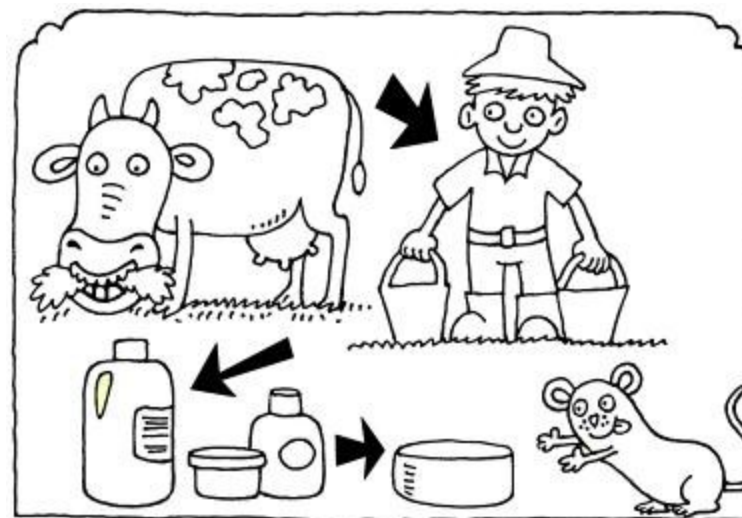

3

“The Bible tells us that God made animals. God designed cows to turn grass into milk.

Cheese is made from the cream in the milk,” Luca explained to Samuel.

4

“The farmer milks the cows and sends the cream to the cheese factory!”

Samuel smiled, “Now I understand that without God I wouldn’t have cheese!”

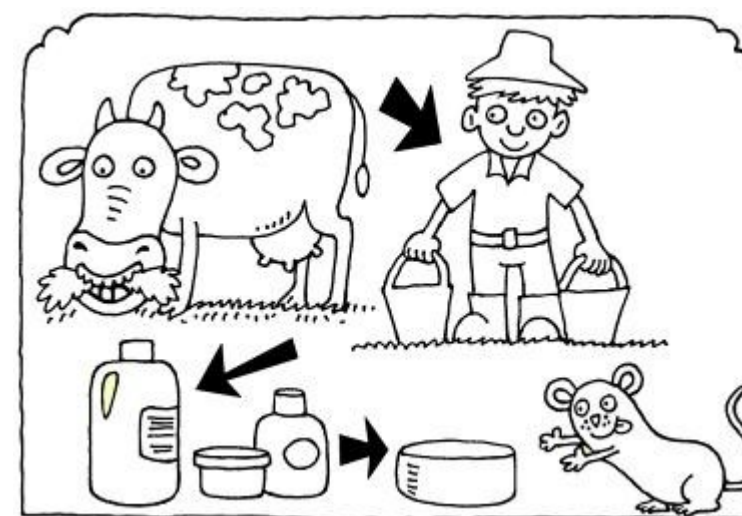

5

“The Bible tells us that God made animals. God designed cows to turn grass into milk.

Cheese is made from the cream in the milk,” Luca explained to Samuel.

4

“The farmer milks the cows and sends the cream to the cheese factory!”

Samuel smiled, “Now I understand that without God I wouldn’t have cheese!”
