

MISSIONARIES

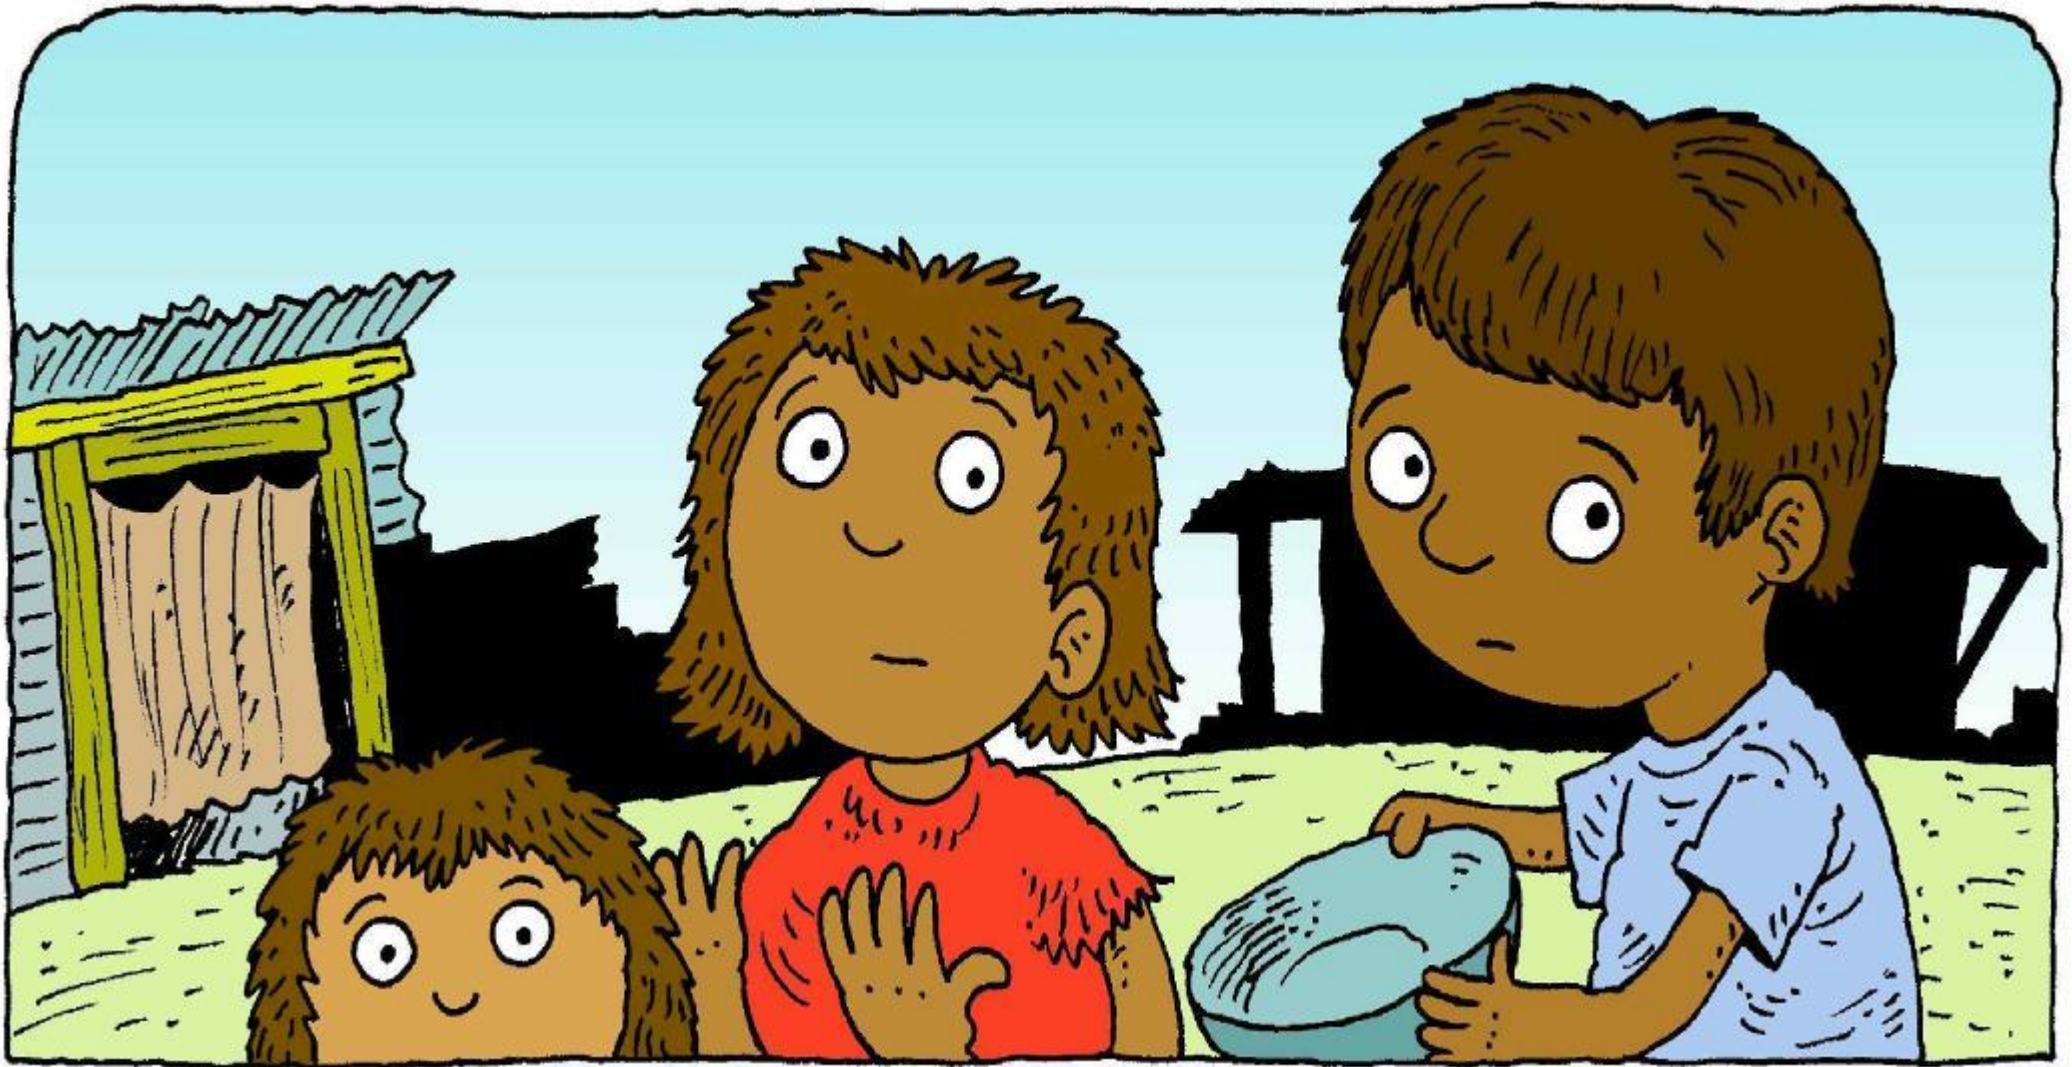

HOW WE CAN HELP

By Jill Kemp

Illustrated by Richard Gunther

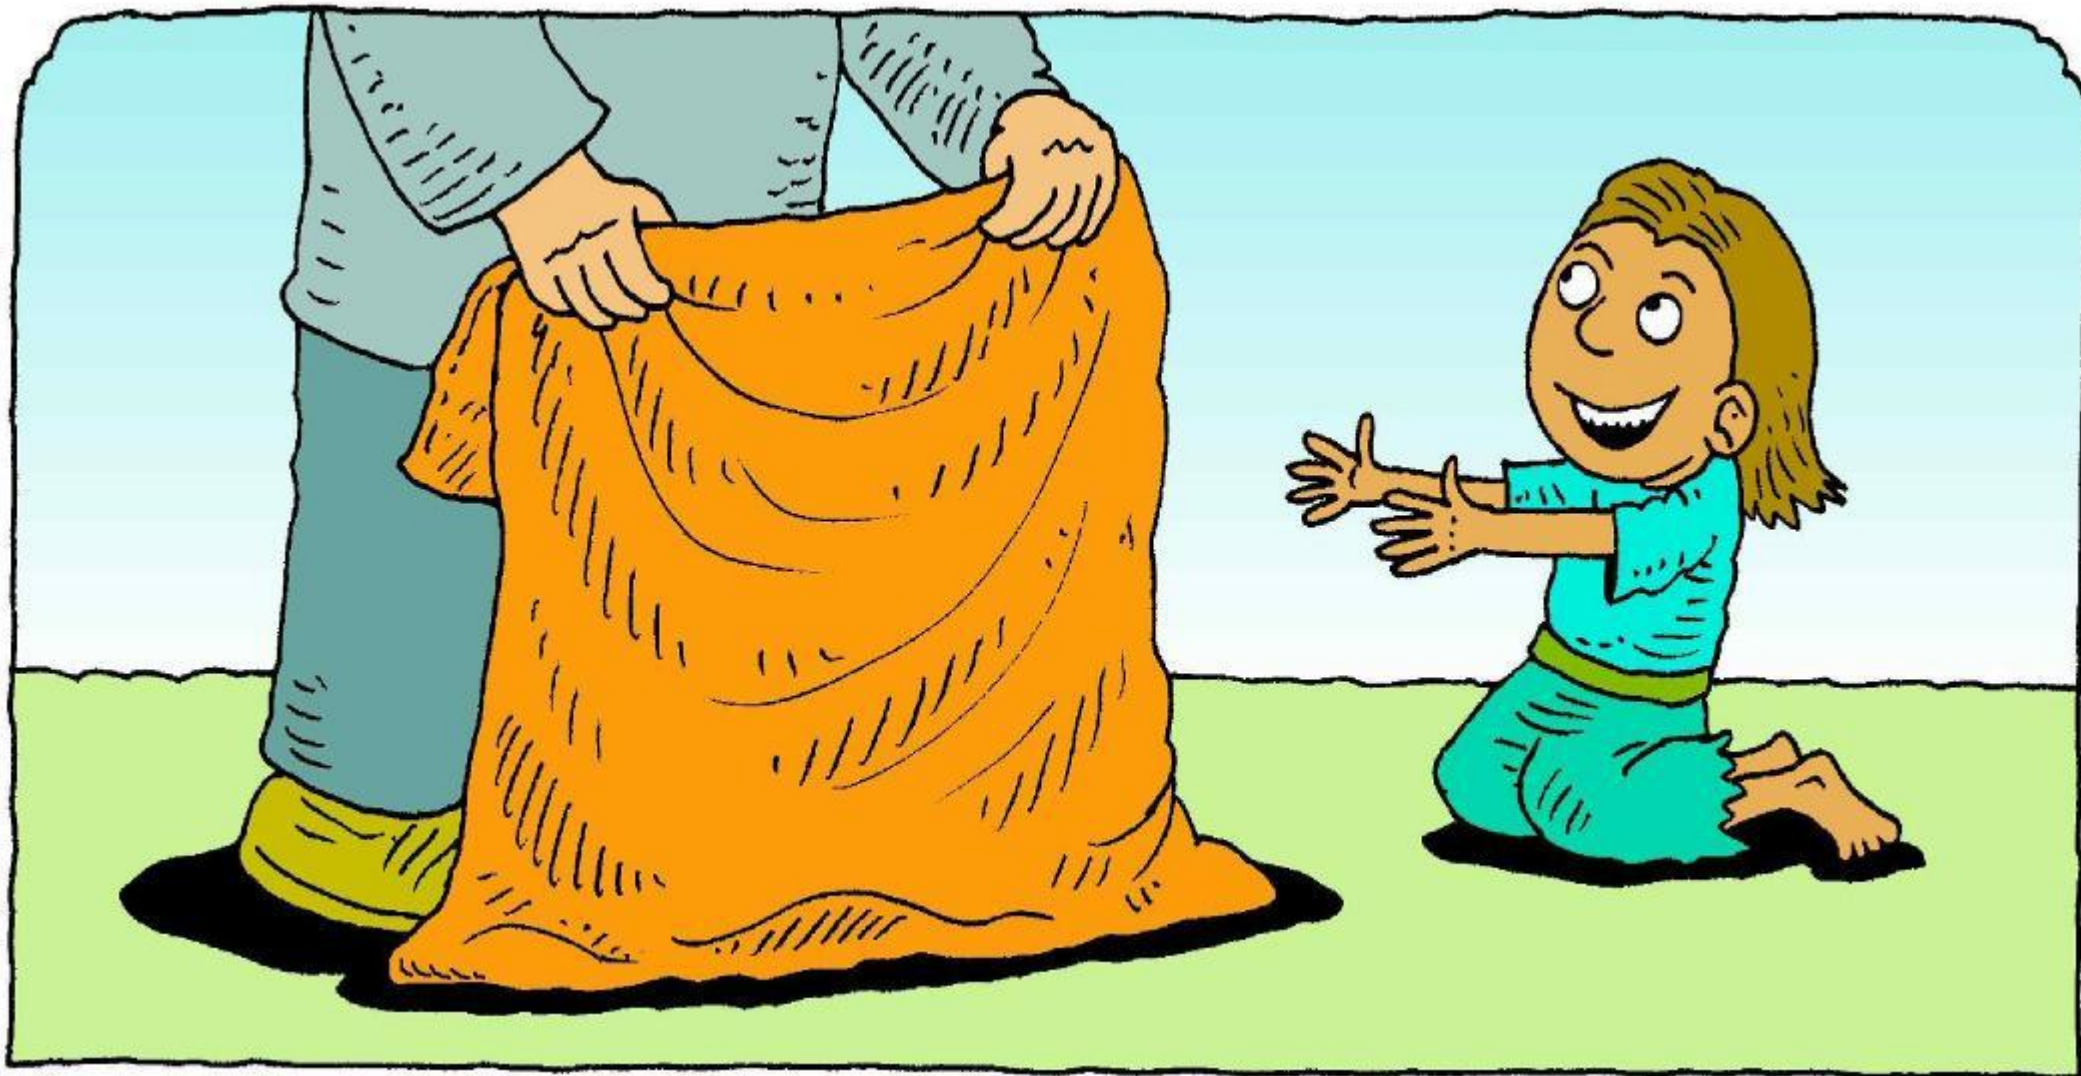

We have been saving money to send to missionaries who help people in other countries.

They use the money
to buy food for children
who are hungry
and have nothing to eat.

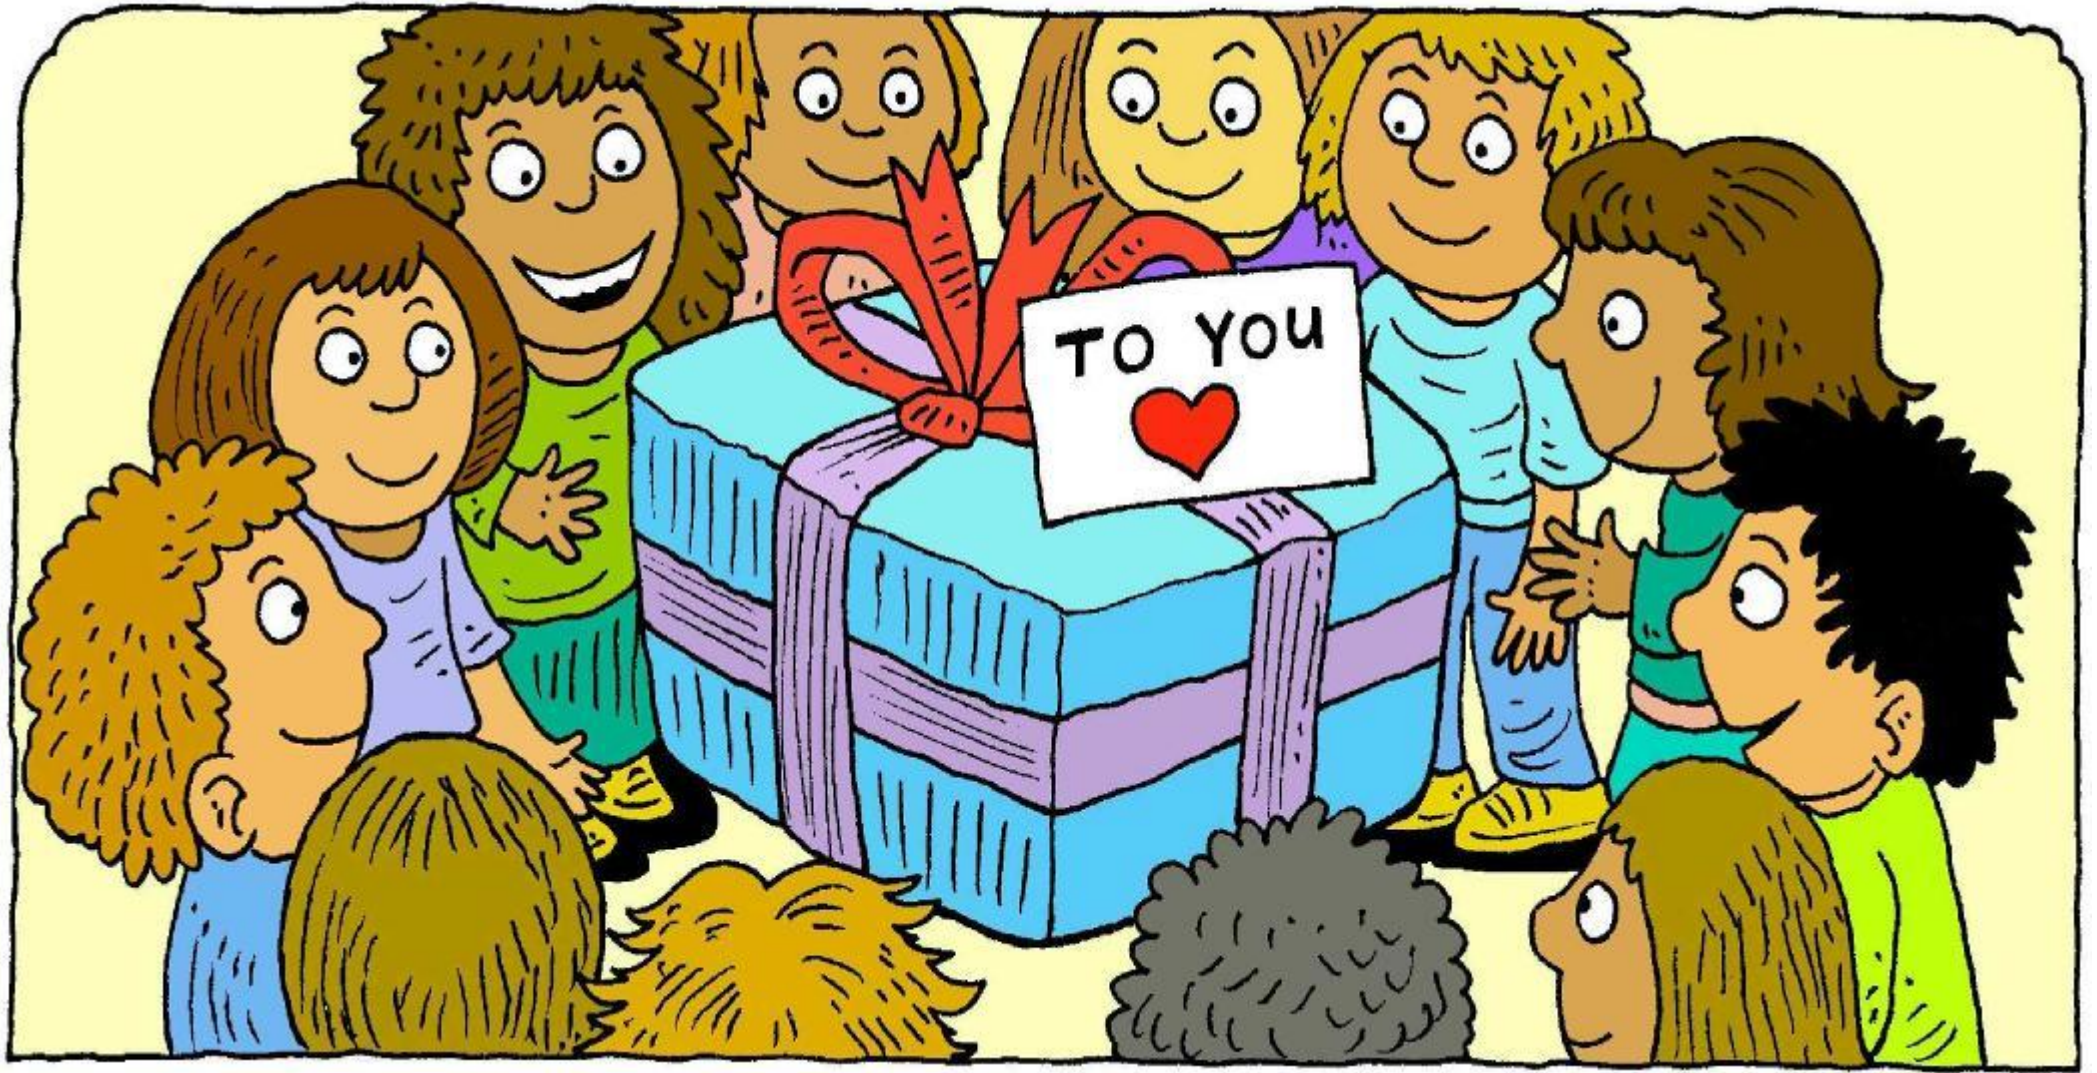

Some people have no
clothes or shoes.
The money we give
buys them clothes.

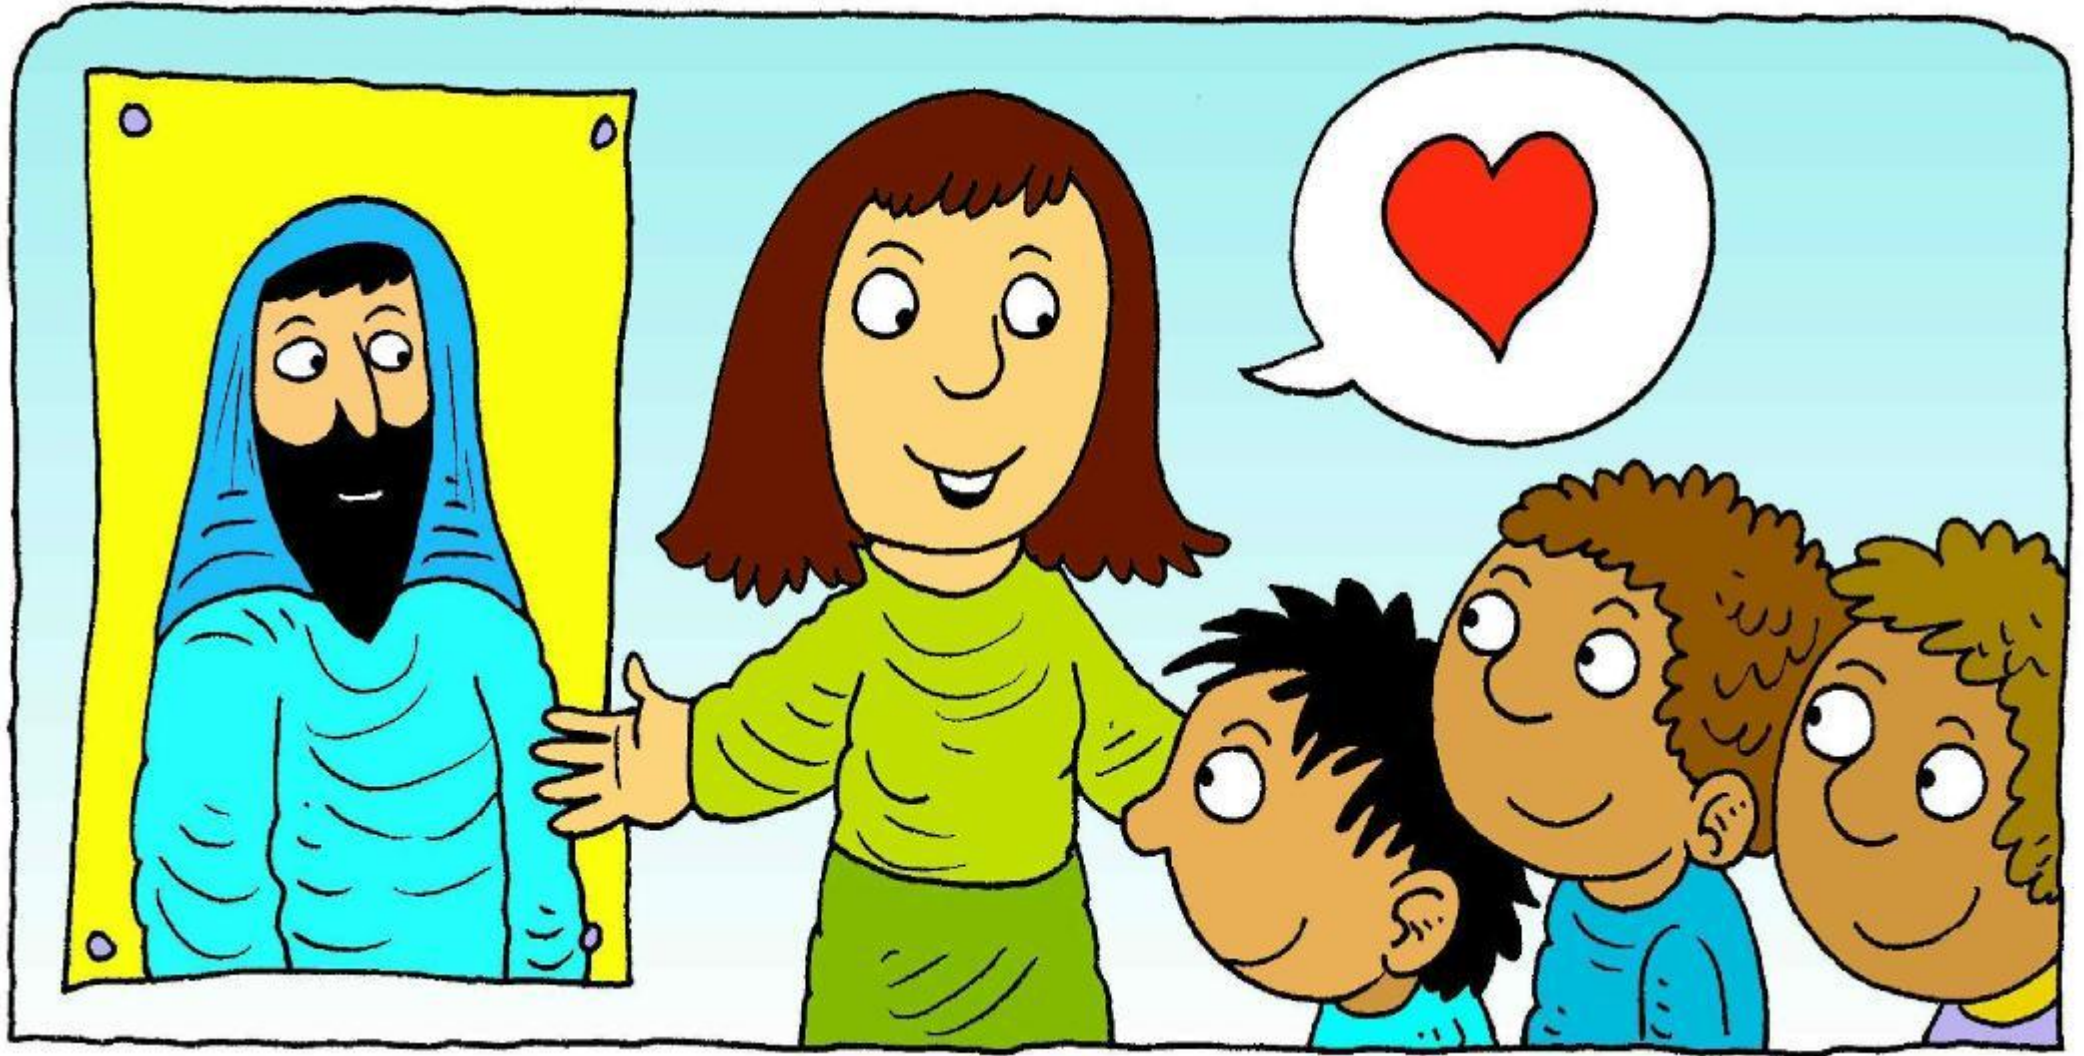

Some money we send
buys blankets for people
who don't even have a bed.
I am glad I can help.

We can buy a motorbike
for missionaries
to take rice and food
to people who need help.

We send toys,
clothes and books
for the missionaries
to give to the children.

The missionaries we help
use books and Bibles so the
children can learn to read and
know that Jesus loves them.

We pray for missionaries
and the poor people
who need their help.
We like to help missionaries.
