### **Things to talk about :**

What is a well?

What is in the Well?

Digging a well.

A wall around the well – keeps animals and children from falling in.

How does the water get into the well?

How can we get the water out of a deep well?

A lid for the well when have finished keeps it clean.

What could make the water dirty?

Why does the water we drink have to be clean?

### **Make a well:**

\*Show children how to lower a container on a rope into the well, which has water deep down inside it.

\*Pull a container up with water in it.

\* Tip the water into cups etc for the children to taste.

\* We need water to drink when we are thirsty.

\* Animals get thirsty too.

\* Jesus got thirsty.

Use big book show pictures and talk about the story.

Read to children.

- Jesus walked a long way. He was thirsty and tired. He waited beside a well.

\*Jesus was kind to the woman – even though other people were not kind to her because she was different.

He wants us to be kind to others too.

\*Jesus knew everything about her.

He knows everything about you too.

There are various points in this story to talk about.

He wanted the woman to know and love him like he loved her.

The woman believed Jesus was God's promised one.

The woman ran and told her friends.

We can tell other people about Jesus too.
