

# Bent Over

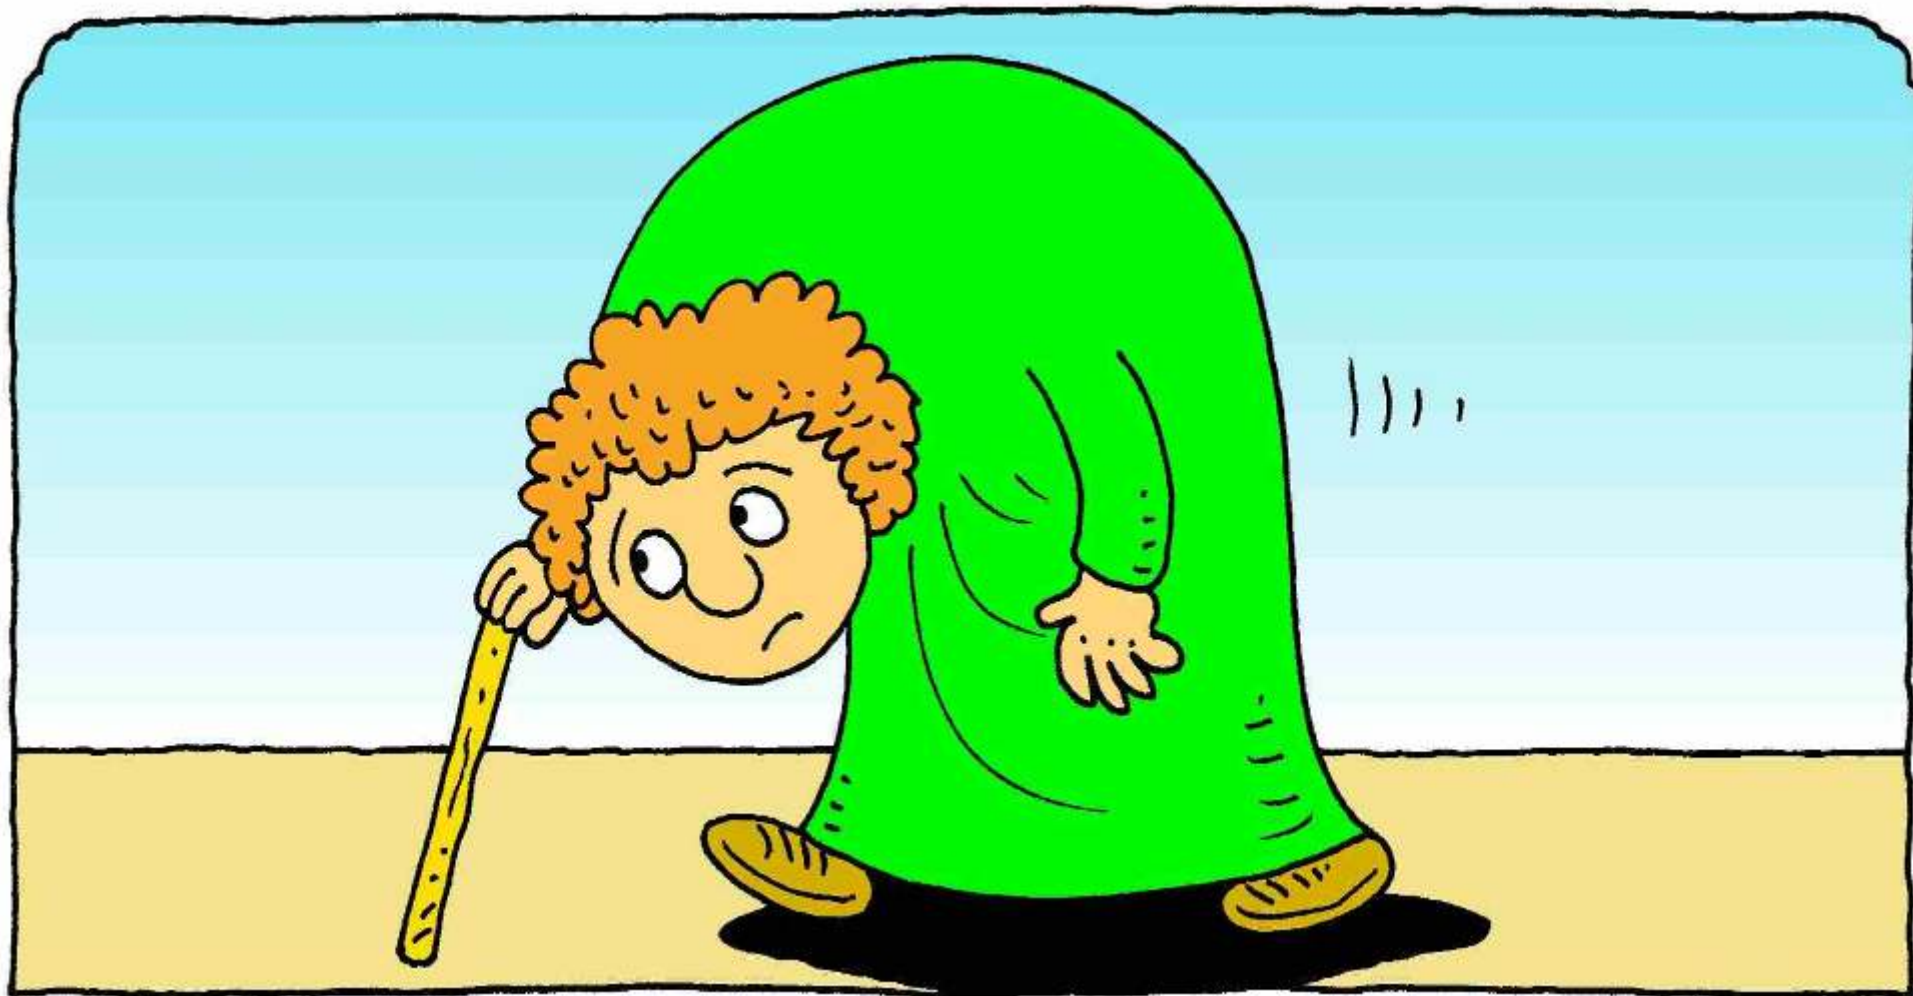

By Jill Kemp

Illustrated by Richard Gunther

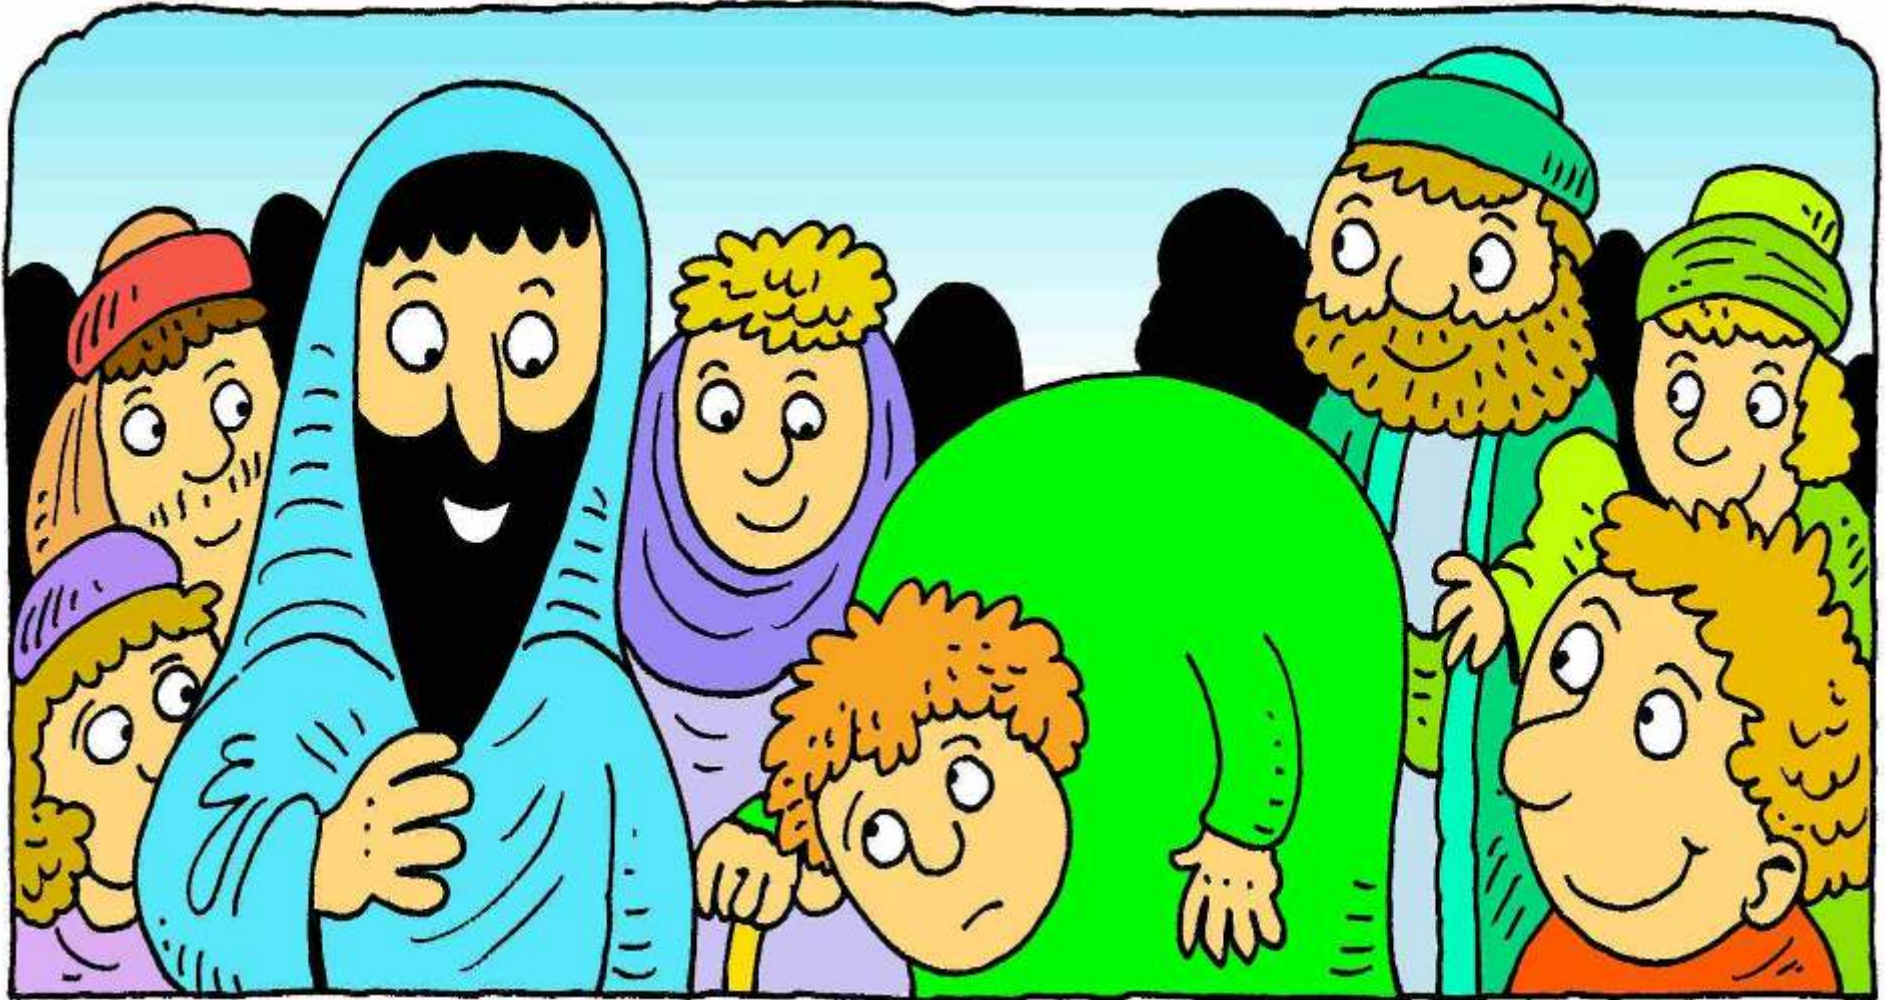

As Jesus was leaving the Temple  
where he had been teaching,  
he saw a poor lady  
all bent over.

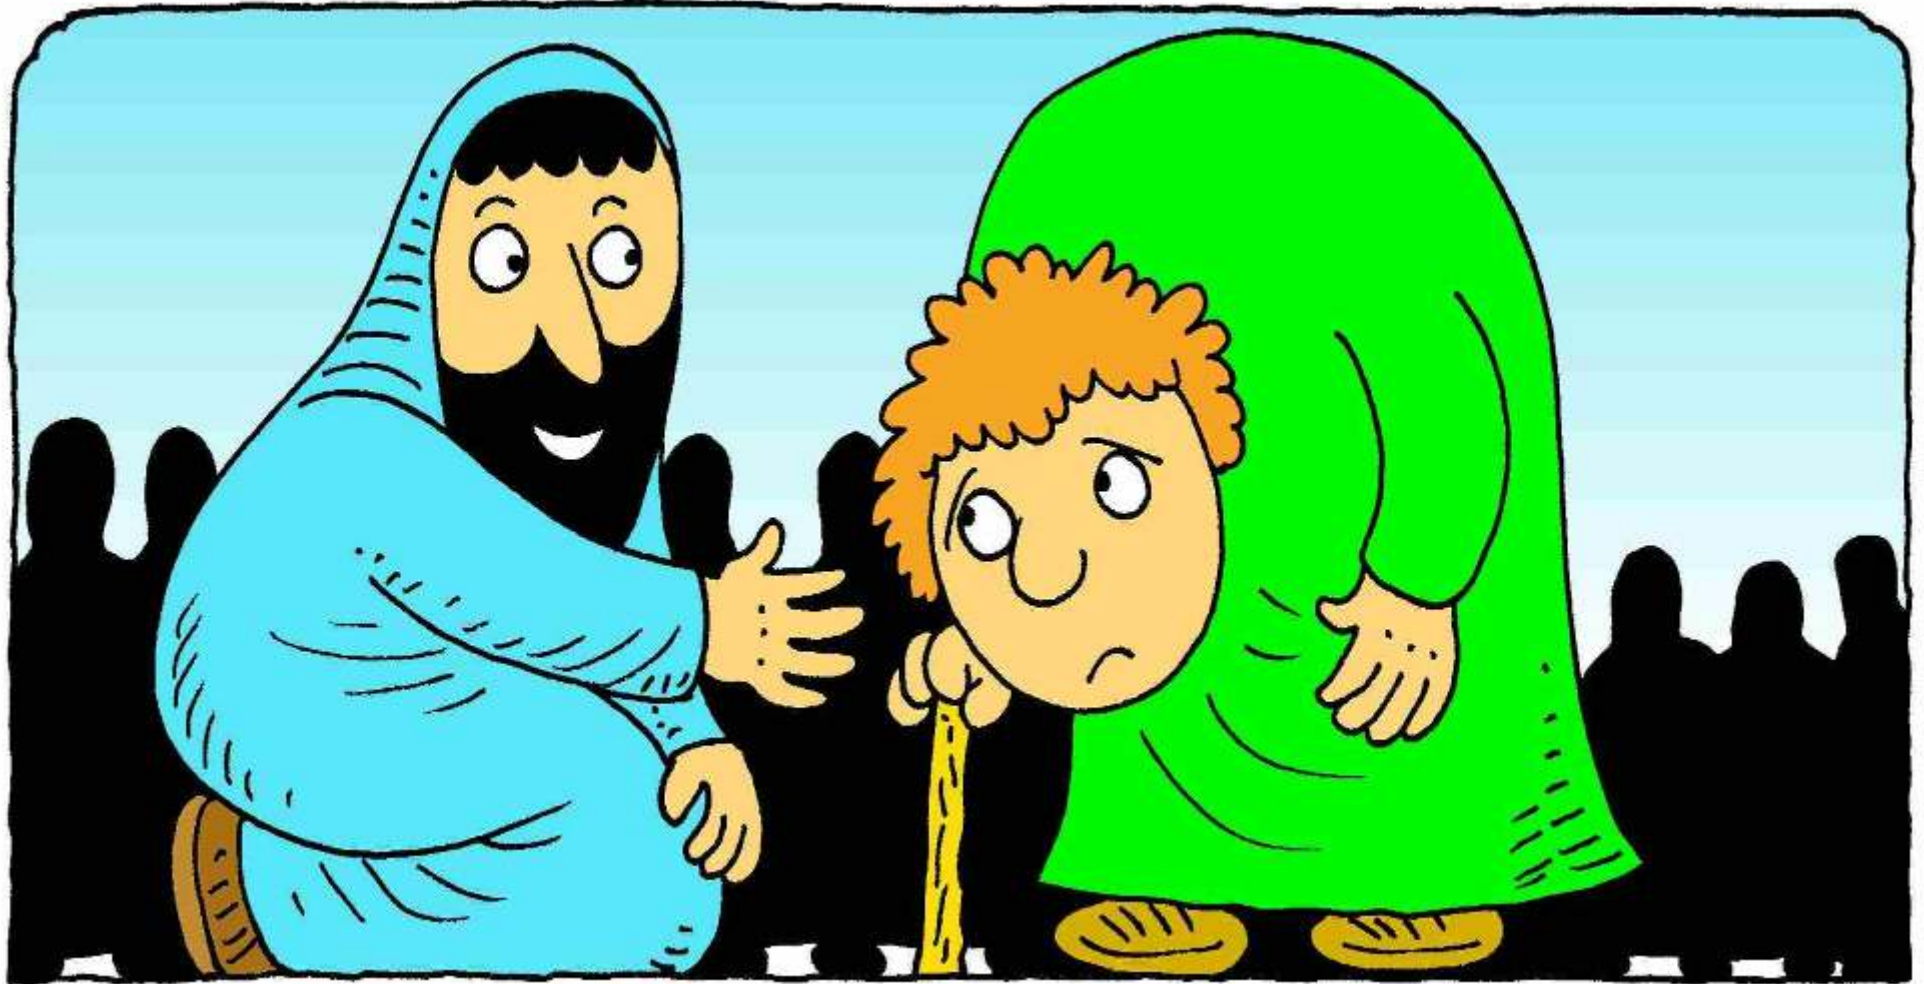

The lady could not stand up.  
Her back was sore  
and she always walked  
bent right over.

Jesus felt sorry for the poor lady.  
She had been like this  
for a long, long time.  
Only Jesus could make her better.

Jesus bent right down,  
so she could see him.  
He took her by the hand.  
“I can make you well,” he said.

Straight away  
the lady stood up.  
It was a miracle!  
Jesus had made her back better!

Everyone was amazed.  
Doctors could not fix her bent back,  
but Jesus did!  
The lady was so happy.

Everywhere Jesus went  
people followed him  
and saw him make sick people well.  
Nothing is too hard for Jesus.
