

“It was me,” said the lady.
“I knew you would make me well again, Jesus.”
Jesus, smiled, “You are better
because you believed in me so much.”

A little lady had been sick for a very long time
and had spent all her money going to
lots of doctors, but she had never got any better.
She prayed and ask God to help her.

2

Jesus turned around. "Who touched me?" He asked.
People said, "So many people are close to you it could be anyone!"
Jesus said, "I felt healing power go out of me
and make someone well."

The little lady got really close to Jesus.
She reached out and touched the bottom of his coat.
A tingly feeling of His power went from Jesus
right into her! She knew she was better straight away!

People were talking about the sick
people Jesus had made well,
so, when He came to their town
they all went to see Jesus for themselves.

The sick lady went too.
“If only Jesus would make me better,”
she thought, “but there are so many people.
Jesus is too busy to help me.”

4

Then she had an idea!
If she could just get close to Jesus,
even if she could only touch his clothes,
she would be well again.
