

God's words are like seeds  
that grow in our hearts.  
I want God's love to grow strong in my heart.  
I will tell everyone about Jesus.

## The Farmer's Seed

Parable of the Sower  
By Jill Kemp

1

Jesus told a story about a farmer who scattered some seed in a field. He wanted the seed to grow well so he would get a big harvest.

2

But, some seed fell onto good ground and grew into big, strong plants. The plants had lots of new seed for the farmer's harvest.

Some seed fell between weeds.  
The weeds grew bigger than

had no room to grow.

Some seed fell on the path  
and it got squashed when  
someone stood on it.  
That seed didn't grow.
