

People everywhere will be kind
and friendly and never fight.

But best of all
we will see Jesus!

1

When Jesus came to earth the first time
He was born in a stable
and had a bed of hay.
He died on a cross for us.

2

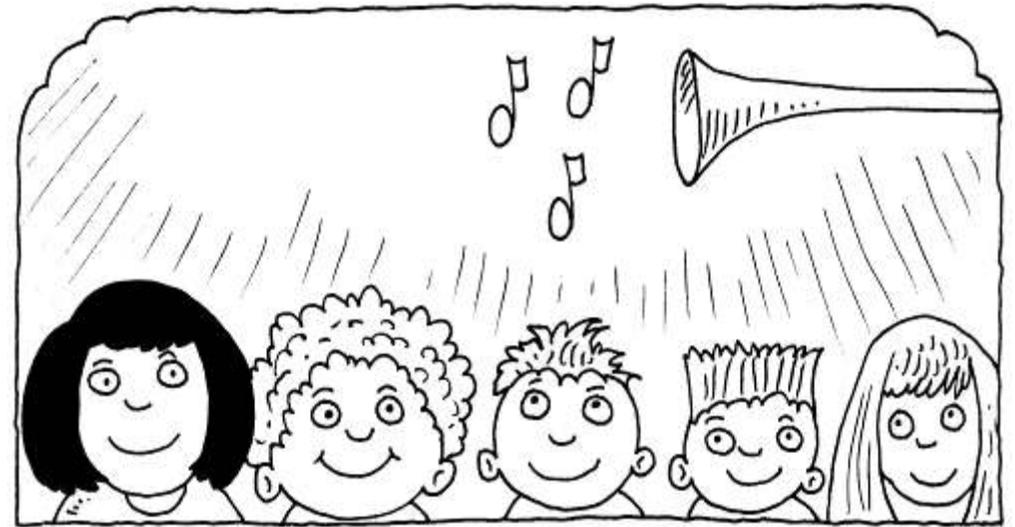

When Jesus comes again He said that
anyone who loved Him and who had died,
will come alive again when the trumpet blows!
We will see family and friends again!

No one will get sick.
No one will ever get old or die.
There will be enough food and water for everyone
and the world will be clean, green and beautiful.

6

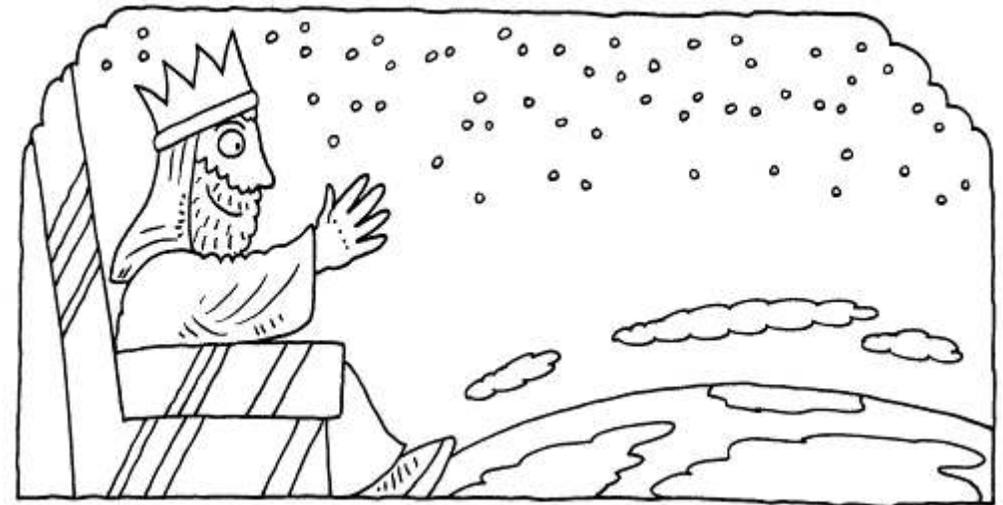

Jesus promised He will come back again
and be King of all the world.
Jesus will be a good king!
He will make the world a safe place.

When Jesus comes again
there will be no more storms or floods.
The world will be beautiful and perfect
just as God first made it.

All the animals will be friendly.
They won't eat each other.
Lions and lambs will live together and
we won't need to be scared of wild animals.
