Illustrated by Richard Gunther

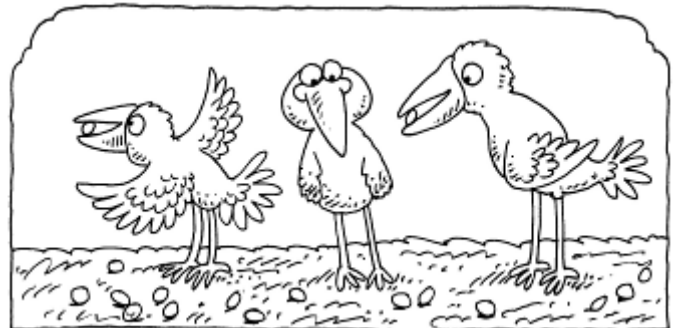

**"How can I get to heaven?"**  
We all ask this question  
and Nicodemus asked Jesus too.  
This is recorded in the Bible.

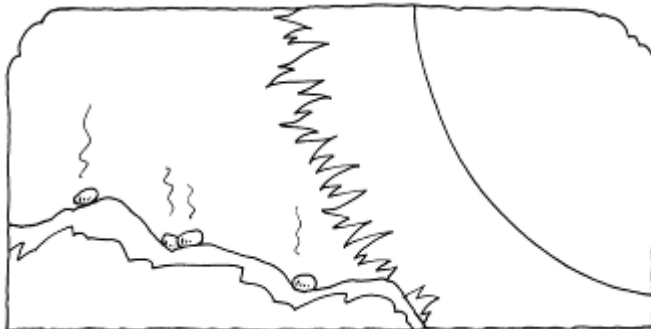

**Jesus told a story about a farmer**  
who scattered some seed in a field.  
He wanted the seed to grow well  
so he would get a big harvest.

**Some seed fell on the path**  
and it got squashed when  
someone stood on it.

**Some seed fell onto good ground,**  
but birds came and ate it.  
That good seed

**Some seed fell onto rocks**  
where it began to grow.  
But the seed died  
because it was too hot and dry.

**Some seeds fell between weeds.**  
The weeds grew bigger than  
the new plants and they  
had no room to grow.

**But some seed fell onto good ground**  
and grew into big, strong plants.  
The plants had lots of new seed  
for the farmer's harvest.

**God's words are like seeds**  
that grow in our hearts.  
I want God's love to grow strong in my heart.  
I will tell everyone about Jesus.
